Certificate of conformity of the factory production control

0036 - CPR - S 082.2017.007

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of March 09th, 2011 (Construction Products Regulation - CPR), this certificate applies to the construction product

filler metals acc. to EN ISO 14341, EN ISO 14343, EN ISO 14171, EN ISO 17632, EN ISO 14174, EN ISO 2560, EN ISO 17633, EN ISO 16834; EN ISO 3580

produced by or for

Tianjin Golden Bridge Welding Materials Group Co., Ltd
No. 1 Liujing Road, Dongli Development Area,
Tianjin City, 300300, P.R. China

and produced in the manufacturing plant: No. 1 Liujing Road, Dongli Development Area, Tianjin City, 300300, P.R. China

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in annex ZA of the harmonised standard

EN 13479:2017

under system 2+ are applied and

the factory production control fulfils all the prescribed requirements set out above.

This certificate was first issued on 06.11.2017 and recurring on January 26, 2021 will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly and latest on 06.11.2023.

Further information about the product parameters and description of the products are included in the annex 1 to this certificate.

Munich, July 9, 2021
